

North Carolina Angus Association

Summer Field Day

Friday, August 10, 2018

**Upper Piedmont Research Station
1944 Wentworth Street
Reidsville, NC 27320**

Morning Session

- 9:30 am Registration
- 10:00 **Feeder Cattle Evaluation** –
This will be an interactive seminar with live feeder calves from the research station to help you as producer better understand what buyers are looking for and how they evaluate feeder calves they purchase.
- 10:00 Upper Piedmont Research Station **Farm Tour**
- 11:15 **Angus Link** –
An introduction to the new feeder cattle program from the American Angus Association. The ultimate goal of the feeder calf program is to strengthen the link between the Angus genetic suppliers and the commercial cattlemen
- 12 noon Lunch – Hosted by the Upper Piedmont Research Station

Afternoon Session

- 1:00 pm **Anaplasmosis** – Large animal veterinarians from across the state will be on hand to participate in a panel discussion on Anaplasmosis to help us learn more about this infectious blood disease and how it may affect our herds and our future business.
- 1:00 Upper Piedmont Research Station **Farm Tour**
- 2:00 Wrap-up and Questions
-

I plan to attend the NC Angus Field Day on August 10th in Reidsville, NC.

RSVP by calling the NCAA office 336-599-8750 or email ncaa.sec@gmail.com to let us know the number of people attending.

An RSVP is required if you plan to eat lunch.
