PUREBRED ANGUS & COMMERCIAL ANGUS FEMALES GUIDELINES FOR CONSIGNMENT

**CONSIGNMENT FORMS ARE DUE BEFORE JANUARY 15, 2013
CONSIGNORS MUST BE MEMBERS OF THE NORTH CAROLINA ANGUS ASSOCIATION.**

Requirements for Registered Black Angus:

- All cows must be less than 8 years old on April 13, 2013 (Calved on or after April 13, 2005).
- All cattle born on or before April 13, 2011 **MUST** be safe in calf as determined by pregnancy examination OR nursing a calf.
- Body condition score of 6 or better. If you're not sure how your entries score, contact a member of the sale committee or your county livestock agent.
- All bull calves must have been born on or after August 13, 2012 (8 months or less).

Requirements for Angus Influenced Lots for Out West Sale:

- All cattle must be sound, less than 8 years old.
- All cattle born on or before April 13, 2011 **MUST** be examined **SAFE** in calf or be nursing a calf.
- Body condition score of 6 or better.
- At least one parent **MUST** be a **REGISTERED Black Angus.**
- Angus influenced cattle must also meet CAB Program Live Animal Specifications:
 1. Black/ white face cows (Baldies) are acceptable.
 2. Cattle must have typical beef type conformation (no visible dairy influence).
 3. Cattle must be absent of long, floppy ears and humps (no visible Brahman influence).

On Saturday, January 24, 2009 our board of directors voted to accept a resolution effective immediately regarding genetic defects in registered Angus cattle consigned to all North Carolina Angus Association sponsored sales. This resolution was amended at the July 25, 2010 board of directors meeting and again at the October 24, 2010 board meeting. The resolution now states:

Resolution to Ensure All Registered Angus Cattle Consigned to North Carolina Angus Association Sponsored Sale are Arthrogryposis Multiplex, Neuropathic Hydrocephalus, and Contractural Arachnodactyly Free

Effective January 1, 2011: all registered Angus cattle consigned to a North Carolina Angus Association (NCAA) sponsored sale must be identified as Arthrogryposis Multiplex Free (AMF), Neuropathic Hydrocephalus Free (NHF) and Contractural Arachnodactyly Free (CAF) by the American Angus Association. For the purposes of this requirement, animals must be identified as AMF, NHF, and CAF or identified as "No Carrier Ancestor" by the American Angus Association. It is the responsibility of the consigner to provide documentation to support these requirements. This requirement included both live animals and unborn calves. In the case of an unborn calf, both the dam and sire must meet these requirements.

If you have questions regarding the resolution, please contact any member of the board of directors, the executive committee or a member of the sale committee.

ALL CATTLE ARE SUBJECT TO APPROVAL BY THE SALE COMMITTEE: Roy Swisher, Co-chair, 336-909-2131; Chris Gragg, 828-268-4137, Co-chair; Ray Brewer, 336-787-4995; Paul Gragg, 828-268-4136; Eddie

Leagans, 336-978-8586; Eugene Shuffler, 704-539-5148; Mike Linville, 336-463-5851 or T.W. Wall, 828-437-8096. **Screening will be done between February 1st & 15th.** The committee will review cattle at sale site and reject cattle that are not acceptable on that date.

It is the responsibility of the consignor to provide footnotes to be included in the catalog!

If you pull your lot out of the sale after the catalog is printed, you forfeit your consignment fee. If your animal goes through the ring and you do not sell her, you share in the sales expenses.

Beginning January 1, 2012 the Sale Percentage for sponsored sales by North Carolina Angus Association will be 4 % for ALL sales, plus the other normal expenses incurred (i.e.: facility, auctioneer, advertising, catalogs, sale management, etc.).

CATTLE MUST BE IN THE FACILITY BY 3 P.M. ON April 12, 2013. Please have with you at that time: Up dated breeding information if different from catalog, original registration papers with breeding information. Included; if she is bred (date bred, if A-I; **ALL** pasture exposure dates, if herd bull bred), registration number of the bull; name, date of birth, sire and dam registration number if you have an unregistered calf; be sure to have A-I certificate on file with AAA. If your papers are electronically store, please have a “paper copy” of the registration, for the secretary to transfer to insure timely transfer of all papers. North Carolina Angus Association requires you to have **Brucellosis and TB testing of each lot within 30 days prior to the sale.** All cattle who will be sold as pregnant should have the pregnancy exam by a qualified veterinarian with approximate months pregnant written on the health paper.

Consigners will be asked to serve on work detail committees. Please be prepared to assist as needed.
