

North Carolina Angus Association's 2013 Annual Meeting Highlights

Submitted by Suzanne Brewer, Executive Secretary

The North Carolina Angus Association Annual Meeting & Banquet was held Saturday, January 26, 2013 at the Forsyth County Extension Office in Winston Salem. Our morning activities were abbreviated because of the weather; we cancelled the board of directors meeting; the Juniors and Auxiliary met as planned and by 1:00 p.m. and the afternoon seminars, we were ready to roll. The Banquet is a time for socializing, awards and good food. We begin our yearly handbook ad sales by auctioning off the preferred pages for the handbook; we also auction sponsorship ads for our website (www.ncangus.org) and auction the back cover of the Spring Fever catalog.
