

Over the past 30 years, Jim has been a member of the North Carolina Angus Association. He joined the Association in 1986 as per our historical handbooks. During this time period, Jim has served our Association in many roles. He has served on our Board of Directors for several terms. In 2009 and in 2010, Jim served as the Vice President of the Association, as well as President in 2011 and 2012. In 2010, Jim donated a heifer to be auctioned to help support our Association. The Scarlett family has supported our Association sales, consigning cattle to the Spring Fever sale, for the past 16 years. He has also been a delegate representing North Carolina at the American Angus Association annual meeting numerous times.

Jim has been a strong supporter of the North Carolina Junior Angus program. He has served as advisor and has been a member of the Junior Boosters since its inception. He served an adult leader for the 1994 Eastern Regionals and as adult chairman for the 2004 Eastern Regionals. He served on the facility committee for the 2014 Eastern Regionals. His son, Brent and daughter, Julie were both elected board members of the National Junior Angus Association. This was a result of his and his wife, Elaine's leadership and strong parenting skills.

Jim and the Scarlett family have travelled many miles and spent countless hours promoting Angus cattle and supporting this Association.

Jim has also been of service in his home county. He has served on the board and as president of the Alamance County Cattlemen's Association. He is also a charter member of the Mountain View Ruritan club where he has held many positions of leadership.

Jim is a man of faith and has been very active with the Gideons organization serving as his local chapter's President.

We as Angus breeders in North Carolina have enjoyed much success as a result of your hard work and leadership, Jim. We sincerely thank you.

The NC Angus Hall of Fame Committee.
