### North Carolina Angus Association 2013 Annual Meeting

The North Carolina Angus Association annual meeting will be held in Winston Salem at the Forsyth County Extension Office on Saturday, January 26, 2013. We will begin our morning with a board of directors meeting, followed by a break for lunch and the afternoon is filled with seminars on up-to-date topics of interest to our Association members.

Speaker for our afternoon seminar will be Bill Tucker, Tucker Family Farms, Amherst, Virginia. Mr. Tucker is a 7<sup>th</sup> generation farmer whose operations have grown to over 600 cows. He has over 20 years of data of herd performance and marketing replacement heifers is an integral part of the farm. We look forward to hearing Mr. Tucker speaking on the importance of a good working relationship between the "seedstock producer" and the commercial cattleman and vice versa. We will also have a "meet and greet" giving time for our annual meeting sponsors to tell us about the products and or services they offer.

After the seminars we have our annual business meeting and elect five new board members to serve three years and recognize the retiring board members. 2012 activities of the Association, Auxiliary and the Juniors are highlighted and committee and financial reports are given. After the business meeting, a short board meeting will be held. After a social hour, the annual banquet will follow.

Our meeting sponsors have space provided to display literature on their services and/or products. They are encouraged to attend the afternoon sessions, meet with the membership and discuss their products. They are recognized at our banquet and in our programs. If you

would be interested in information on sponsorship, please contact the Association office, Eddie Leagans committee chairman or any member of the annual meeting committee.

The Auxiliary and Juniors will hold their annual meetings during the day and join us for the business meeting and the banquet.

There are several awards to be presented at the banquet including the 2013 handbook dedication and an induction into the North Carolina Angus Association Hall of Fame. The preferred pages for the 2013 handbook are auctioned off after the banquet as well as the back cover for the 2013 Spring Fever Sale catalog and the five sponsorship spots on our website [www.ncangus.org](http://www.ncangus.org).

***The annual meeting is a highlight of the year for our Association members. Please mark your calendar and plan to attend.***

## 2013 North Carolina Angus Handbook

Because of a multitude of circumstances we weren't able to publish a handbook in 2012 and all monies paid were refunded. We have made plans to work diligently to have the 2013 handbook out by May 4. We're looking at several options to insure ads and other information is submitted in a timelier manner and everything moves thru the set up and printing processes smoothly.

The annual meeting is the beginning of our campaign for the handbook ad sales. This is a very important fundraiser for the Association. Each member, sponsor and advertiser is mailed a copy of our handbook. We published 1,500 handbooks in 2011 and made them available to anyone who requests a copy. We also have them available on our display anywhere it is set up. It is usually at Association sponsored sales, bull sales, member sales and the Cattlemen's conference.

This is a great advertising opportunity at a reasonable price to advertise your cattle or your cattle related products. We have a wide variety of advertisers, not just member farms.

At our annual meeting we auction off the "preferred pages". Again, this year, we will offer the "featured farms" package. For any bid over \$750.00, you will have the opportunity to receive a full black/white page in the handbook, a page on our website ([www.ncangus.org](http://www.ncangus.org)) to advertise your farm and a quarter page advertisements in each of our newsletters for the year.

The insert is in this newsletter for advertising opportunities for 2013. Prices are listed and we hope you will consider advertising with us in our 2013 North Carolina Angus Association handbook.

We will be available at the annual meeting to discuss your ads for 2013. You can make changes, order new ads or renew the same ad; we can also take payments if you'd like. We hope with this added service, we can get ads in earlier and alleviate some of the "last minute rush".

The handbook committee is always looking for more people to help make phone calls to contact members and businesses regarding advertising. Please contact Linda Hicks or Suzanne if you'd like to help!!

Our goal is to have at least 25 to 30 lots of good registered Black Angus cow/calf pairs, bred cows and bred or open heifers. There continues to be a strong demand for Angus Influence cattle with one parent a registered Angus we hope to round out the sale with these Angus Influence cattle. We had over 60 lots on the 2012 Out West Sale and we hope to have another strong sale in 2013. Top selling lot was a cow/calf pair consigned by Eugene Shuffler, Shuffler Farms, Union Grove, which sold for \$4,200.00 to Larry McGinnis of Roaring River.

The NC *Elite Angus Heifer* Program has been well received and those "elite heifers" have brought a premium the last three years. 2012 was the first year we've had "elite heifers" on the Out West Sale. The Spring Fever Sale consignments are also due January 15 and we will schedule Tom Burke to make his tours in late January or early February. Watch the website and the newsletter for more information on Mr. Burke's tour. The 2012 Spring Fever Sale added Bred Cows to the offering.

# North Carolina Angus Association's 2012 Down East Sale

*Submitted by Suzanne Brewer, Executive Secretary NCAA*

The 2012 North Carolina Angus Association's Down East Sale was held on Saturday, November 3 at the Sampson County Livestock Arena in Clinton, NC. A special thank you goes to Roy Outlaw and his committee for bringing together a great group of consignors and a great set of cattle. This year was the first with an offering of young virgin bulls and they were well received in the sale.

Friday and Saturday were both beautiful, sunny, brisk fall days. Most of the cattle were received by mid afternoon Friday and the remainder early Friday evening. Saturday morning everything was penned and ready for the sale to begin at noon.

The sale began with cakes, pies and semen donated for sale with the proceeds going to the North Carolina Junior Angus fund for the 2014 Eastern Regional's which they will jointly host with South Carolina. To host the Regional's is an honor and will take much support from everyone, so be on the lookout for other Junior fundraisers between now and then.

The top selling lot of the sale was lot 54 consigned by Henry Vines, H & D Angus of Snow Camp. Lot 54 was a May, 2011 bull sired by H & D 5506 of 878; his dam was a Boyd New Day 8005 daughter. He was purchased by Dean Sykes from Riegelwood for \$3,100.

Top selling cow/ calf pair was lot 5 & 5A consigned by John Smith, Panther Creek Farms, Pink Hill. Lot 5 was a Rito 5FH9 of Rita 3639 daughter whose dam was sired by GAR Expectation 4815. Jason Butler, Butler Angus Ranch, Clarendon sold two lots of Angus Influence cow/calf pairs for \$1,600 each to Mansfield Brothers, Southport, NC.

Top selling bred cow was lot 2 consigned by Steve & Dennis Gordon, Gordon Brothers, Kings Mountain, NC. Her sire was a BCC Bushwacker 41-93 grandson and her dam was a Connealy Freightliner daughter. She is due in late November to Connealy Final Product. She sold for \$1,750 to Dick Mills, Ayden, NC. Lots 34 & 35 Angus Influence bred cows were consigned by NCSU Beef Unit and brought \$1,600 each and were purchased by Jimmy Lynch, Lynch Farms, Inc., LaGrange, NC.

Paul, David & Chris Gragg, Gragg Farms, Boone consigned 4 open heifers. Lots 8 & 9 were sired by Sitz Upward 442W and were sold to Gordon Brothers, Kings Mountain for \$2,100 each. Dam of lot 8 was a Jauer 353 Traveler 589 27 daughter and lot 9's dam was sired by CRA Bextor 872 5205 608.

Henry Vines, H & D Angus, Snow Camp has lost a lease on a farm and needed to down size, so he consigned 11 lots (5 lots of cows w/ calves and 6 lots of bred cows). The cows w/ calves averaged \$1,475 and the bred cows averaged \$1,025.

Ten lots of young bulls finished out the sale. Lot 76X was an additional lot from Keaton Vandemark, Vandemark Angus, Spring Hope; he sold for \$2,500 and was purchased by Gary Stewart, Gary Stewart Farms, Linden, NC. Lot 76X was a December 2010 bull who was a three quarter Angus/quarter Simmental bull sired by OCC No Fault 901N. Lot 56 consigned by John Smith, Panther Creek Farms, Pink Hill sold for \$2,400 to Steve Grady, Steve Grady Farms, Mt Olive, NC; he was a September, 2011 son of Connealy Impression.

We sold 40 lots of females, 10 lots of bulls and 2 donkeys. Bulls averaged \$2,010, females averaged \$1,511. We sold two donkeys for \$350 each, brought by Roy Outlaw, Outlaw Angus, Seven Springs; they were purchased by Ronnie & Gina Waters, R & G Angus, Kinston, NC.

Volume buyers were Jimmy Lynch, LaGrange who purchased 5 lots for \$7,500, Jack Bonner, Salemburg who purchased 5 lots for \$6,650 and Mansfield Brothers, Southport who purchased 4 lots for \$5,750. Thank you to these buyers and everyone who purchased cattle.

Total sale gross was \$80,875. Thank you to the consignors and the buyers for making this another successful sale.

Again this year E.B Harris auctioned the sale. Thank you to Richard Kirkman for the color comments; to Steve McPherson and Darryl Howard for being ring men and to David Gragg for working the box. Thanks to Bettie Garner, Brenda Vinson, Teresa Swisher and Donna Outlaw for helping clerk the sale and to Donna and Tammy McPherson for making pictures. The North Carolina Junior Angus served a wonderful lunch.

A thank you goes out to everyone who helped the Down East Committee with this year's sale. Plans are already underway for 2013. So make plans now to be "Down East" on Saturday, November 2 at the Sampson County Livestock Arena, Clinton, NC.
